Are all blocks being rezoned from Living – Bushland Conservation to Recreation – Open Space? If not, how much of each block?

Response by Group Manager Community and Corporate:

Council has purchased Lots 2, 3 and 4 DP11486, known as 14 Arthur Street, Warrimoo for the purposes of developing a neighbourhood park.

All of Lot 4 (the western lot), and approximately 50% of lot 3 (the western part of the middle lot) are the subject of the rezoning application to the Department of Planning. It is proposed this land be rezoned Recreation – Open Space.
