 Dear Mr Pinyon

Thank you for your correspondence concerning a resolution of the Council pertaining to commuter car parking at Glenbrook Railway Station. I apologise for the delay in responding.

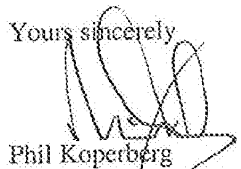

I note that Council has written to the Minister for Transport and the Member for Penrith, also.

Whilst I might agree with the sentiment expressed in the Council resolution and all supporting documentation, as you would be aware matters relative to Glenbrook technically fall within the State Electorate Boundary of Penrith. In this respect, your request for support on this issue is appropriately addressed to Ms Paluzzano as the responsible Member.

Once Council is in receipt of a response from the Minister, I would be more than happy to discuss this issue with you, should further formal representations be necessary.

In the interim, please be assured that I will raise the matter directly with the Minister in the next week of Parliamentary sittings when I meet with him.

Yours sincerely

Phil Koperberg
 Member for Blue Mountains
