

Active Kids Care

Active Kids Care is offered Monday to Friday, with two sessions being run on three days.

SESSION 1: 9:15am - 10:30am (Mon-Fri)

SESSION 2: 10:30am - 11:45am (Mon, Thur, Fri)

Active Kids Care has a staff to child ratio of 1-8 with the breakdown being 3 children aged 6 months to 12 months and 5 children 12 months and over. The program is offered in school holidays for children up to 12 years of age.

- Please note that parents will be required to take their children to the bathroom prior to attending Active Kids Care. All children in nappies will need a fresh change prior to attending. If your child requires a change during the session, a staff member will advise you.
- Morning tea is at 10:15am, please provide a snack with each child and a drink. Please ensure that all food/drink containers are labelled and placed in the baskets provided at the sign-in area.
- A reminder that Active Kids Care is a **NUT FREE** zone, and we also ask that small food e.g Grapes, be cut in half, lengthways to prevent choking hazards.
- If your child requires an **EPI PEN**, it must accompany your child to every session that they attend and be given to the staff upon signing in.
- New and existing families to the service will have to fill out a new enrolment form for each of their children. All Active Kids Care Memberships will be in the child's name.
- All visits will be available and paid for at the time of booking. You will be issued with a computer receipt. Please check that the date and time of your booking are correct.
- You will need to sign your child both in and out of Active Kids Care for each visit. The sign in register is located within the centre.
- Cancellations must be made before 8:30am on the day care is required, this provides other patrons the opportunity to book in as spaces are limited.
- Parents whose children are unable to attend the booked session may have the option of transferring their booking to another available session that week, or the following week.
- We would greatly appreciate all parents/carers to be punctual in dropping off and collecting their children as we provide back to back sessions.

Thanks for using the Active Kids Care service at Springwood Aquatic and Fitness centre.

If you have any questions regarding the above terms & conditions please speak with Emma.

Alternatively, you can call reception on 4723 5111 for bookings and payment.
