

# 2021 COMMUNITY ASSISTANCE PROGRAM

## Guidelines for Applicants

### 1. OBJECTIVE

---

The Blue Mountains City Council distributes funds under the Community Assistance Program to not for profit community organisations. The Program recognises the contribution that community organisations make to the quality of life and well-being of the local community. The program assists community organisations to provide a diverse range of activities and services to meet the changing needs of local residents. The Council's contribution to these community organisations builds on and enhances their capacity to provide local activities and services.

### 2. FUNDING CRITERIA

If they are not incorporated and are without an ABN they may be auspiced by an incorporated organisation holding a valid ABN. If successful in receiving funds under this program, payment will be made to the entity name registered to the ABN.
