

Blue Mountains City Council - Disclosure Log
Part 3, Division 4 *Government Information (Public Access) Act 2009* (NSW)

Reference Number	Date application was decided	Description of the information provided	How to access
12/177587	7-Nov-2012	Third Party Consultation - Environment Protection Authority (EPA) received an application to access information under GIPA requesting a Site Audit Report and Statement for former Katoomba-Leura Gasworks. Council had no objection to releasing information. However due to copyright, EPA were requested to seek copy of report from author.	Please contact Council for a copy.
17/25406	18-Jan-2017	A copy was sought of a confidential business paper regarding options for the site at 170-174 Leura Mall, Leura. After balancing the public interest considerations for and against release of the document and following a review under s93 of the Act, the document was released in part. The document is included in disclosure log together with letter of determination, due to public interest in this document.	Please see downloadable file on Council's disclosure log page, or contact Council for a copy.
17/37514	23-Feb-2017	A copy was sought of: <ul style="list-style-type: none"> - Maintenance reports since 1 January 2014 relating to 170-174 Leura Mall, Leura - Engineering reports since 1 January 2014 relating to 170-174 Leura Mall, Leura <p>After balancing the public interest considerations for and against release of the document, documents were released in part. These documents have been proactively released by the Council under section 7 of the GIPA Act due to public interest.</p>	Please see downloadable file on Council's disclosure log page, or contact Council for a copy.
