**To be hosted by the Mayors of
Blue Mountains City Council
and Wollondilly Shire Council.**

**Special guest speaker - former NSW
Environment Minister The Hon Bob Debus AM.**

Sunday 10 November, 9.30am to 11.30am.

Blue Mountains Theatre & Community Hub,
Springwood.

**Go to bmcc.nsw.gov.au/warragamba-dam
for more information.**

What is at stake:

- Breaching Native Title Agreements and compromising Native Title
- Irreversible loss of Aboriginal cultural values
- Loss of UNESCO World Heritage listing
- Extinction of threatened plants and animals, such as the Regent Honeyeater
- Destruction of the last Wild Rivers in NSW
- Risk to quality of life for residents.

There are alternatives to raising the wall for flood mitigation.

Everyone loses if they raise the wall
